

4 March 2021

Dear Year 4,

We are all really looking forward to everyone being back together in school. Over these last few weeks you have worked so hard and shown incredible amounts of resilience when school has been closed. However, we have missed being able to teach you in person and are excited to get back to being together as a whole class again.

We know some of you will be excited but also some of you will be a little nervous and that is okay. Please always feel free to talk to any of us if there is something concerning you. We are all here to support you.

We have some exciting lessons coming up and it is going to be great to share these with you in person. In particular, we look forward to learning about Pesach and this year you being able to produce your own Haggadah to take home and use at your Sedarim.

Best wishes,

Year 4 Team
