--------------------------------	----------	--	--

### In School Barriers

Low data in all core subjects across Cohort in September 2020 following baseline assessments.

Higher number of children in each year group assessed at Working Towards in all areas of the Curriculum in September

Lack of confidence in all year groups in being able to work independently

Poor standard of writing by Summer Term

Lack of High quality CPD Opportunities for Staff

## Planned expenditure for current academic year

Action	Intended outcome and success criteria	How will you make sure it's implemented well?	Staff lead	When will you review this?
Action	Intended outcome and success criteria	Cost	Staff lead	Success Criteria

<p>Home School Learning Remote Support</p> <p>To provide children who have had base line data with 1:1 support from Designated Teacher working at home with extra support in Maths/English and Phonics three times a week</p>	<p>To ensure children are able to have support so they can work within expected age group banding and be on their correct trajectory</p>	<p>Designated Class Teacher – till November 30<sup>th</sup>. £ 13,846.71 ( partially paid for by Covid Catch up Premium/rest funded by School_</p>	<p>HG/RB</p>	<p>Improvement in progress for children who were part of one to one programme. See Data.</p>
<p>Extra support given to Year 2 Classes from with a floating Teacher January – July to provide extra support in core subjects</p>	<p>To support and take small groups in English and Maths across the two year groups in Year 2 to support those children who are falling behind age expectations. To lead Interventions in morning</p>	<p>£14,388 ( partially funded by school)</p>	<p>DS/HG</p>	<p>Data shows an improvement in Reading and Maths in Y2.</p>
<p>Implementation of Google Classroom</p>	<p>To have a fully functioning remote learning platform provided by Google Classroom</p>	<p>£ 1500</p>	<p>KS/JK/DS</p>	<p>Remote Home School learning provided in January was interactive, high interaction and attendance rate – data from Spring showed majority of children stayed on correct trajectory.</p>

One to One Sessions	Secular Teachers having One to One sessions timetabled in normal school day reducing PPA time ( still retaining over and above 10 per cent PPA)	School Cost	HG/DS	Data improved in December, and May showing impact of one to one sessions was high
High Quality CPD for Staff	Lack of consistent CPD opportunities for staff resulting in purchase of BPSI courses and BPSI from March 2021	£ 400	HG	Teachers confident and able to deliver high quality lessons understanding the importance of catching children at all levels
