

# Medium Term Mind Map

## Year 1 Term Autumn 1

### 2021-22

Skills Learnt in Previous Year:

**Lesson 1-WALT: what do you know about how life has changed?**

**KWL chart/ vocab lesson**

- Teach vocab and meaning- months days new long old year- matching game
- chn to fill out KWL chart- give structure to write what has changed at school, home, friends, extended family.

**Lesson 2 WALT: how has life changed for your family over the years?**

- As a class think of different areas that can change for a family i.e., new sibling, new house, new car, new room, new schools. Chn to have boxes to draw pictures of how their life has changed alternatively/ chn to create a timeline of how their family became what it is today i.e. parents got married, bought house, had sibling etc...

**Lesson 3 WALT: how has life changed for your friends' families over the years?**

- Chn to become historical investigators, and pair up with others in the class to formulate and ask questions to see how life has changed for their classmates.

Topic

**Lesson 4 WALT: what has changed in your family's life and why has it changed?**

- Refer back to lesson 2 and what has changed in their family's life. Chn to think of reasons why. i.e. new house (more space) new car (old one broke)

**Lesson 5 WALT: what are some similarities and differences between my life and my friend's life?**

- LC to create a PPT about how my life changed (since moving to London)- moved flats, met friends, new jobs, new car, new house, chn to have a similarities and differences t chart to fill in, maybe they moved houses too maybe they got a new car, have they made new friends? Have their parents got a new job?

**Lesson 6 WALT: identifying what questions I used to find out information.**

-fill in L from KWL and recap VOCAB- matching game.
